國立中山大學教務處教學發展與資源中心

Organizer:

Teaching and Learning Development and Resources Center of Kaohsiung Medical University

Teaching and Learning Development and Resources Center of National Sun Yat-sen University

## 壹、計畫主旨 Purpose

有鑒於目前國內大學教師普遍未受過系統性之教師專業培訓課程，為協助新進教師能有效進行教學工作，強化教學與研究能力，特規畫本場次新進教師研習營。議程內容涵括學術倫理、教學與研究經驗分享及行政資源座談，協助新進教師增進專業成長，並了解學術倫理，以具備從事研究工作所需之正確倫理認知與態度，及對教學、研究、服務及個人權益之瞭解。

本校與國立中山大學締結「攻頂大學聯盟」，為達成跨校資源共享，強化區域教師之情誼，特與中山共同承辦本次活動，並開放兩校之新進教師參加。另考量兩校近年來外籍教師逐年增多，同時配合國家 2030 年打造雙語國家之目標，議程內容改採中、英文方式進行，期待兩校教師能透過本次活動，盡快融入校園，達成跨校教學資源互惠共享、典範移轉共創雙贏之目標。

Concerning the relatively few training courses for university faculties, Kaohsiung Medical University (KMU) organizes the 2024 KMU- NSYSU Aim-for-the-Top Alliance New Faculty Orientation to enhance teaching and research capabilities. The topics of this event include academic ethics, experience sharing on teaching and research, and administrative resources. We expect to help teachers establish the understanding of correct academic ethics and attitudes toward research and personal rights in teaching, research, and service.

With the purpose to promote resource sharing across universities and to enhance the interaction among teachers in southern areas, Kaohsiung Medical University has cooperated with the National Sun Yat-sen University to establish an KMU- NSYSU Aim-for-the-Top Alliance. The new faculty orientation is open to all newly hired faculty members of the two universities. Due to the increasing numbers of foreign teachers and in accordance with the government's Bilingual Nation policy by 2030, this event will be conducted in either English or Chinese. All foreign teachers are sincerely invited to participate in this event. We hope, through this activity, to facilitate teachers' involvement in campus life, and achieve the goals of resource sharing on teaching and learning, as well as best practices.
